**Archbishop's Call to Share 2022!**

The Gospel is the Good News. It shows us the path to everlasting life. But sometimes it does this not just by showing us what to do, but also demonstrating what *not* to do. Today is a great example. Jesus preaches in Nazareth, where he grew up. The hometown crowd is expecting to hear some inspiring words, and maybe even see some miracles. But that's not what Jesus has in store for them. Instead, he challenges them, pointing to their self-centeredness and their unwillingness to open-up to God. Definitely not the easy message they wanted to hear!

This is a moment of decision for his audience. Do they allow Jesus's hard words to change them, leading to conversion and deeper relationship with God? Or do they put up walls, and respond with anger and stubbornness? We know how they chose. The challenge for us is to choose differently when we're confronted by a challenging message from Christ and His Church. One of those challenging topics in our parish today is the need to support the *Archbishop's Call to Share* appeal. It can be easy to react to this conversation by tuning things out. But the parish's needs are real. What's more important than whether we give or not is whether we allow ourselves to be challenged by the invitation to contribute, allowing ourselves to lower our defenses and to prayerfully listen and discern. See how the Lord prompts you.
