**Helping People Find Lasting Freedom From Pornography**  
 When someone seeks help to overcome pornography, internalizing the truth of Scripture and nurturing intimacy with God through prayer is essential for healing. At the same time, it is necessary for the community of believers to intentionally walk with the one who is struggling. So, as pastors, leaders, parents, and friends of those who struggle with pornography, how can we point someone in the direction of true change? In this webinar, Nick Stumbo, Executive Director of Pure Desire Ministries, will walk through 5 strategies we can take to help a person move onto a path of healing. Even if this isn't your area of expertise, we believe you can be equipped to implement strategies as you walk with people to discover lasting freedom!
