**Marriage Minute**

You don't know the day or the hour Every night in the news, we hear of another tragic accident, act of violence or medical emergency that ends in the loss of life. Behind many of those stories is a surviving spouse whose life will never be the same. This weekend's readings invite us to not only contemplate the unexpected end of the world, but also of our life. How can you live a marriage with no regrets? • Reconcile hurts thoroughly and promptly. • Learn to express love the way your spouse best receives it. • Create daily rituals of connection, like a blessing and kiss before leaving the house. • Write love letters to your spouse in gratitude for his/her wonderful qualities.
