### Marriage Minute

Famous Last Words

Before ascending into heaven, Jesus told his disciples to “Go out into all the world and tell the Good News.” As married couples, we have a very specific piece of good news to proclaim: that lifelong love is possible! In our current culture, this is a message that young people desperately need to hear. Since married love is meant to image Christ’s love for the Church, our message is the very heart of the Gospel! Here are some simple ways to share it: • Talk to your spouse about hurts between you rather than your friends. • Invite other couples over to cultivate couple-friendship (even if it’s pizza and the house isn’t clean)! • Volunteer together by mentoring the engaged or starting a parish marriage ministry.

### Thanks for your Prayers and your Advocacy The Kansas Legislature Approved the Adoption Protection Act

The Kansas House of Representatives and Senate have both approved the Adoption Protection Act. Governor Colyer has promised to sign the bill into law when it reaches his desk.

This legislation will protect religiously motivated adoption providers like Catholic Charities from attack by hostile government agencies and political activists, which has unfortunately happened in other states. Faith based adoption providers in Kansas will now be protected in their work serving the common good.

This moment would not have been possible without the efforts of the many people who contacted their legislators over the last several months. Thank you to all who participated in this campaign.

If you did not get the prayer card you can find the novena prayer at the Archkck.org website. Simply say this prayer once a day until Pentecost for a new outpouring of the Holy Spirit upon our Archdiocese that we and many can come to know ever more the love of Christ. Come, Holy Spirit!
