**"The Catholic Bishops of the United States again identified the protection of unborn children as the pre-eminent moral priority"**

- 1) abortion attacks the most vulnerable and innocent,
- 2) abortion occurs within the family destroying the most precious human bonds thus harming parents, and
- 3) the sheer number of human lives destroyed, nearly 1 million annually, adds to abortion's societal importance.

**"Value Them Both" Video With Chiefs Punter Dustin Colquitt**  
 Below is a link to the new pro-life video that was produced by Live Action (a leading national pro-life and human rights organization) and features Dustin Colquitt, the Kansas City Chiefs former punter and member of St. Michael the Archangel parish in Leawood. In the video, Dustin shares his love for this community but expresses his fear about what is happening in our state with the KS Supreme Court "discovering" a right to abortion in our constitution. This is a powerful video that both educates on the likely effects of the Court's decision but also inspires Kansans to be a voice for the voiceless. <https://youtu.be/mJ1XtrlShPQ> We are excited to have this resource with such a prominent and beloved Chiefs player and hope this video will go viral in our state and beyond. Please share via your parish social media platforms as well as on your websites. Please also add the tagline "Support the Value Them Both Kansas Constitutional Amendment. To learn more, visit: <https://www.archkck.org/prolife-ks-constitutional-amendment>".

**Safe Environment Program - Adult Training (Virtus) Effective Immediately**  
 In light of the current health conditions, one prudent and preventative measure we are taking is to make the VIRTUS Protecting God's Children for Adults training available Online as an option. Effective immediately, due to COVID-19, the Archdiocesan requirement for attending a VIRTUS Protecting God's Children for Adults workshop live session will be suspended and the option of the online version of the module can be offered in lieu of live training. This is a temporary safety precaution, and parishes may still offer the live training session available as an option if they prefer as long as the local county and state ordinances in effect at the time of the event are followed. Please note, the training must still be completed prior to participants working around youth, but the requirement may now temporarily be met by completing the online Protecting God's Children module. Individuals needing to attend a session will be offered the option of the online module at the time of registration. They will still need to follow the background screening and policy completion process at the time of registration. Individuals who are already currently registered for an upcoming live session, may log back into their account and change to the online module. These procedures will be reviewed and updated periodically as needed and are in place to protect you, those you work with, and your family. Please stay safe and healthy and continue to pray for all our brothers and sisters in Christ! We are praying for all of you and your families. If you have questions, please contact Sandy Vielhauer at [svielhauer@archkck.org](mailto:svielhauer@archkck.org) or Jenifer Valenti at [jvalenti@archkck.org](mailto:jvalenti@archkck.org). May God bless you and keep you safe.
