Constitution Week Sept. 17th-23rd

The United States Constitution was written and adopted on September 17, 1787. In 1956 President Eisenhower passed into law Constitution Week September 17-23 to promote awareness of this great document throughout the United States. It is commemorated annually across America. Remember, the laws of the Constitution are to restrain the government, not We The People.. We ask Churches and Organizations to Ring Bells on September 17th at 3:00 pm CT. Families fly your flags during Constitution Week and honor this great document!

Advocate for Ethical Vaccines One of the moral challenges of the pandemic is the fact that all of the current vaccines have a connection, some more remotely than others, to cell lines that originated from victims of abortion. However, the Church has stated at many levels, that receiving a COVID-19 vaccine is morally permissible and can be an act of self-love and charity to protect oneself and others, especially the most vulnerable. In his Aug 21, 2021 letter on Covid-19 and Vaccine Mandates, Archbishop Naumann said that “those who decline (the vaccine) for reasons of conscience must do their utmost to use other means to protect the health of others, especially those most vulnerable. . . just as those receiving the vaccines are obligated to advocate to pharmaceutical companies and government officials to provide vaccines that are not morally tainted.” To assist with this advocacy, the Archdiocese is providing a sample letter for people to use as a template to send to pharmaceutical companies. It is available in both English and Spanish. Visit www.archkck.org/vaccines for the template
